A BRICK FACELIFT WITH JUST ONE COAT.

WHETHER IT'S A SIMPLE FACE-LIFT OR A TOTAL REMODEL, BORAL® RECOTE™ WILL BREATHE NEW LIFE INTO A HOME'S EXTERIOR.

ReCote™, Boral's exclusive textured masonry coating, creates instant character by adding long-lasting color, a beautiful matte finish and a rich sanded texture – all with just a single coat. ReCote™ is suitable for use on any existing masonry, and is a perfect compliment to other exterior materials like stone and shakes. And with 30 distinct colors to choose from, the possibilities are endless.

Best of all, applying ReCote™ couldn't be easier. There's no need for a primer, and ReCote™ can be easily applied with texture spray equipment or by brush.

Plus, you can have confidence in the enduring beauty and durability ReCote™ provides, knowing that it is backed by a 10-year limited warranty from Boral Bricks, America's largest brick manufacturer.

To learn more about Boral® ReCote™ and to learn how Boral® can fulfill all your masonry needs, visit your Boral® showroom or visit us online at www.boralbricks.com.

This color selector is offered as a sales aid only to select a color for final approval. Actual finished color will vary due to texture, application procedures and substrate. Final color approval should be made from a sample made by the applicator, using the same finish, techniques and materials as proposed for actual installation.
