

DuroTone High Performance Pigments

DuroTone synthetic exterior pigments are formulated for use with extremely bright colors where extended durability is desired. The specialized tints feature Mixed Metal Oxide (MMO) technology to maintain their intensity with high solar exposure resistance with the maximum lightfastness available.

Bright, vivid colors such as reds, yellows, blues and intense blacks are typically formulated with organic pigments. Organic pigments break down quicker and tend to show more efflorescence compared to the new DuroTone pigments. Buildings with bright colors can expect reduced maintenance requirements compared to standard pigments. Master Wall Inc.[®] also offers a 10-year limited fade resistance warranty for projects where DuroTone pigments are used.

Technical Data

VOC: <1% by Weight
VOC: 0 g/l

APEO (alkylphenol ethoxylates) Free

Packaging: Factory or Distributor Tinted

Shelf Life: 2 years

Features & Benefits

- Durable—Highly colorfast and resistant to alkali and acids.
- Tone Retention—Excellent colorfastness and resistance to weathering.
- Master Wall Inc.[®] project-specific 10-year limited Fade Resistance Warranty for applications of two-coats of Roller-flex or Elasto-flex coatings and Superior Finishes.
- Special 10-year limited warranty for Superior Finish/Coating applications.

Available In

Textured Finishes

Superior Finishes – DPR Acrylic

Superior Finishes HP – Textured Finishes with Hydrophobic Properties

Superior Elastomeric Plus Finishes – Bridges hairline cracking in stucco

Specialty Finishes

Aggrelime – Limestone Look Finish

LaCantera – Beautiful Cantera Stone Look

Savannah – Interior/Exterior Venetian Plaster Type Finish

Taratex – Earthen look Plaster

Travertine – Recreates the look of Travertine Limestone

Varius – Brilliant Fine Finish

Specialty Coatings

ReCote™ – Brick and Tilt-up Textured Coating

CIFS® Brick – Genuine Looking Brick with Continuous Insulation

CIFS® Wood Grain CI – Faux Wood Finish System with Continuous Insulation

CIFS® Wood Grain Tex

CIFS® Wood Grain Glaze

Vintage – Antiquing Accent

Brick Stencil Finish System – Brick & Stone Finish System

Superior Coatings

DuraCote – Architectural Coating

SuperiorCote HP – Hydrophobic Architectural Coating

Roller-flex – Acrylic Coating

Elasto-flex – Elastomeric Acrylic Coating

Primecoat – Primer

Sanded Primecoat – Primer
