

Huber Zip System®

Master Wall Inc.® recognizes the use of Huber Zip System® and components as an approved substrate under the Master Wall® Systems noted. The Zip System® must be installed in accordance with the manufacturers instructions and code requirements.

The Zip System® is unique in that the installation complies as a code-recognized water barrier. For the Cemplaster Fiberstucco System a secondary slip sheet is required.

Aggre-flex Drainage EIFS with grooved insulation board

Aggre-flex EIFS

Rollershield Drainage EIFS®*
With Rollershield LAB seam treatment

Cemplaster Fiberstucco over slip sheet.
Drainage Mat is optional

Aggre-flex Drainage EIFS with Drainage Mat

Also approved as a water barrier under QRW1 Drainage EIFS and Stucco Cement Board Coatings
