

**ROLLERSHIELD DRAINAGE CIFS®
TOTAL EXTERIOR ASSURANCE**

Improve your building long-term with the new Total Exterior Assurance (TEA) warranty featuring Master Wall Inc.® Rollershield Drainage CIFS® with SuperiorShield SMP Sealant. This single-source warranty includes the cladding and soft joints, but the quality is more than skin-deep. It includes continuous insulation for lower energy costs and the best air and water barrier in the market!

Rollershield Drainage CIFS® System	Standard Limited Warranty	SuperiorShield SMP Sealants Limited Warranty
CIFS®, CIFS® 10	10	12
CIFS® 12	12	14
CIFS® 16	16	18
CIFS® 18	18	20

Features & Benefits

- Single source warranty.
- Quality products applied by certified professionals
- Rollershield Liquid-applied Air/Water Barrier (LAB) stealthily protects your building below the surface
- Continuous insulation surrounds the building keeping interior temperatures more consistent and steady, reducing the need for heavier heating and cooling equipment
- The cladding and sealants are steadfast at protecting the building exterior
- Total Exterior Assurance for the building exterior and seals
- Quality contractors for your application
- Guaranteed compatibility of Sealants and Wall Systems
- Air/Water, Insulation and Protection with a single-source warranty

The Benefits

The Master Wall Inc.® Compound Warranty is a single source product warranty that extends the standard Master Wall Inc.® Rollershield Drainage CIFS® if the building owner uses SuperiorShield SMP sealants with the Master Wall Inc.® cladding. The Compound Warranty offers the following advantages:

- Compatibility between the cladding and sealants guaranteed
- Single source — one contact for dispute resolution
- Extended warranties

How it works

An architect or owner must specify the system and the warranty program in the contract documents. The products are then ordered through a Master Wall® distributor and applied to your building. When complete, request a warranty. It's really that simple but if along the way you need design assistance, technical support or need jobsite visits we'll be there for you.
